

A Love Like No Other

I don't know it all
But I know that I love you,
And I know that you are my friend.

Touched by The Father,
It's a love like no other,
And It's knowing you'll be there 'till the end.

It's a love like no other. (x2)

At times we're apart
There's no distance that is stronger
Than the Lord's blessing and love that keeps us together.

I see love in your eyes
And I've seen them shed a tear.
I'll be here for you cause love lasts forever.

Love last forever (x2)

I will hold you close to my heart always
and I will lift you up in prayer all my days
because I know that you'll do the same for me.

I can't wait to see
All that happens between us.
With love joy comes easily.

Our friendship will grow old
But I will never tire,
For you mean the world to me.

...the world to me (x2)
