

## More than Worthy

**D**            **Em**  
Jesus, I worship You  
          **G**            **A**  
I worship You.  
                          **D**  
Worship you, Lord. (x2)

**G**                            **A**                            **D**    **D/F#**  
I love the way You draw me close to You.  
                          **G**                            **A**                            **D**    **D/F#**  
I want to worship You in everything I do.  
                          **G**                            **A**  
With Your loving, loving arms  
**D** **D/C#** **Bm**  
All around me  
  **A**    **G**  
You're more than worthy  
                          **A**    **G**  
More than worthy  
                          **D**  
Of praise.
