Over and over and over again
Bm G Asus A
You've seen me lose my way

With love in Your eyes
A D
You take my hand

And then You gently say

Verse 2:
Over and Over and Over again
Mercy falls on me
So I set my sights high
And fall short again
But still I find I am free.

"You've been wrong
A D
my Child of Light.
Bm G Asus A
It's not hard to lose your way.
Bm G
So take my hand
A D
And together we'll stand
Bm G D
And send you on your way."

2nd and 3rd Chorus:
Take my hand
My Father of Light
You know, it's not hard to stray.
So I lay down my life
my worry and strife
To walk with You each day.
