

Over and Over

Anthony Packwood 2001

Em C D G
Over and over and over again
Em C D
You've seen me lose my way
Em C
With love in Your eyes
D G
You take my hand
Em C G
And then You gently say

Verse 2:
Over and Over and Over again
Mercy falls on me
So I set my sights high
And fall short again
But still I find I am free.

C
"You've been wrong
D G
my Child of Light.
Em C D
It's not hard to lose your way.
Em C
So take my hand
D G
And together we'll stand
Em C G
And send you on your way."

2nd and 3rd Chorus:
Take my hand
My Father of Light
You know, it's not hard to stray.
So I lay down my life
my worry and strife
To walk with You each day.

I will lift Your name on high.

But I want You in my life.
